

Getaway

The Stars Align

Make your escape in February and see a stellar sky from a tiny cabin nestled in nature. Prefer to coordinate your trip with the cosmos? We asked Daniela Karpenos of *The Cosmic Latte* to map out **your ideal travel time** based on your Sun and Rising signs.

Moon Shine

Book your Getaway **Feb. 5** and bask in the beauty of a **Full Moon**—also known as the Snow Moon as snowfall is often heaviest this time of year. Or stay for the **New Moon** on **Feb. 20**, when the moon is less visible, so stars and galaxies shine even brighter.
